

GARLOCK KLOZURE® HIGH-PERFORMANCE DYNAMIC SEALS

# Rubber O.D. Seals

## Your alternative to metal cased seals

Garlock Klozure® offers a unique choice that others simply do not...metal cased or rubber OD seals! Should you decide on rubber OD seals, rest assured we have the perfect solution for your needs. Our extensive product offering includes highly engineered rubber OD seals such as the Model 87, Model 26 and Model 57...even a split Model 23! Our reverse bevel lip designs and OD chamfers have been engineered for the quickest installation imaginable. Couple the unique seal geometry with our state-of-the-art Mill-Right family of materials and the results are long MTBF and short MTTR cycles...all adding up to a significant cost savings!

Proven performance, proven technology, a trusted name...Garlock Klozure.
